

SCHOOL-BASED
ASTHMA THERAPY
PROGRAM

Our School Helps **KIDS WITH ASTHMA**

Ask the School Nurse or Your Healthcare Provider About Our School-Based Asthma Therapy Program. Let's All Work Together to Let Kids with Asthma

JUST BE KIDS

- ▶ We ensure the prescribed controller medication doses are given to kids daily while at school.
- ▶ We facilitate medication refills for home and school.
- ▶ We coordinate necessary physician orders and follow-up appointments.
- ▶ And much more!
